

# Christina Maria Justine

## Junior Architect

### PROFILE

Junior architect with a strong design flair and adept problem-solving skills looking for an opportunity to contribute creative solutions and resources towards the goals of the firm and thus improve my knowledge and skillset.

I believe architecture is the investigation of framework that gives meaning to a project by its orientation to thinking, making and to connect with human emotions.

Nationality : Indian  
DOB : 19 November 1999  
Languages : English  
              Hindi  
              Malayalam

### PERSONAL STRENGTH

Attentive Learner  
Hard working  
Punctual

Organisation  
Responsible

### INTERESTS

### EXPERIENCE

#### Architecture Intern

Silpi Architects, Ernakulam, India  
Aug 2021 – Jan 2022

Collaborating with project team, I underwent an enriching experience that allowed me to enhance my skills in various aspects.

- Gained a deeper understanding of the complex process of obtaining project sanctions.
- Worked on diverse projects including residences, apartments, and commercial buildings.
- Generated detailed 3D modelling in Revit.
- Designed residence layout and created electrical drawings.
- Contributed to hotel and hospital proposal drawings.
- Honed Photoshop rendering and presentation skills.
- Mastered Revit software using it in various projects.
- Actively participated in site visits.
